

## **MINUTES, LIMESTONE COUNTY COMMISSION, OCTOBER 10, 2012**

The Limestone County Commission reconvened the meeting from October 1, 2012 at 10:00 a.m. today at the Washington Street Courthouse Annex, 310 West Washington Street, Athens, AL.

Present: Gary Daly, Gerald Barksdale, and James W. "Bill" Latimer. Absent: Bill Daws. Stanley Menefee, Chairman presided.

Chairman Menefee proposed adding a study to establish grade and pay classifications for county employees to the next agenda.

Chairman Menefee said he is still waiting for a written report from the Auburn specialist who inspected the tree at the Courthouse.

Chairman Menefee announced that Calhoun Community College is planning to annex into the City of Decatur from Limestone County.

Commissioner Daly suggested a resolution to let the public vote on the Unit System.

Commissioner Barksdale agreed with letting the public vote and stated he fears other cities that have annexed into Limestone County will want a portion of our gas tax monies.

Chairman Menefee pointed out that operating under the Unit System will not cut out the commissioner's jobs, but with a joint effort it will save the county money by combining equipment and services.

Commissioner Latimer stated he would also like for the Unit System be put on the ballot for a public vote.

Commissioner Latimer requested adding Underwood Associates Architecture to the next agenda for an additional \$2,850.00 for mechanical engineering services at the L & S Property.

Items were discussed for the October 15, 2012 Agenda.
